DECLARATION OF RICHARD FREDERKING

Pursuant to 28 U.S. Code § 1746 and Fed. R. Evid. 902(11). I, Richard Frederking, hereby declare and certify:

1.   I am over 18 years of age. I am currently employed by Microsoft Corporation ("Microsoft") as a Senior Paralegal in the litigation group within Microsoft Corporate, External, and Legal Affairs. I am familiar with the record keeping practices of Microsoft Corporation and the documents produced in this litigation.

2.   The records identified in Appendix A, which are subject to this certification, were produced by Microsoft in connection with subpoenas served on Microsoft in the above-captioned case or Plaintiffs' pre-litigation investigation.

3.   I hereby certify that all records identified in Appendix A were made at or near the time by, or from information transmitted by, a person with knowledge of those matters. I further certify that these records were kept in the course of regularly conducted business activity and were made as a regular practice of that activity.

4.   On information and belief, the records identified in Appendix B, which are subject to this certification, were produced by AT&T, as the predecessor owner of the Xandr assets, in connection with Department of Justice's pre-litigation investigation. Following Microsoft's acquisition of the Xandr assets on June 6, 2022, Microsoft received copies of the documents reflected in Appendix B from AT&T, represented as true and correct copies of documents produced to the Department of Justice by AT&T Inc.

5.   The records identified in Appendix C, which are subject to this certification, reflect information prepared by Microsoft and published on Microsoft's website for product marketing and informational purposes. On information and belief, while DTX 0704, DTX 1440, DTX 1676, DTX 1684, DTX 1690, DTX 1704, DTX 1756, and DTX 1774 do not reflect current, publicly available webpages, the exhibits are true and correct as of the dates on which they were copied.

6.   I hereby certify that all records identified in Appendix C were made at or near the time by, or from information transmitted by, a person with knowledge of those matters. I further certify that these records were kept in the course of regularly conducted business activity and were made as a regular practice of that activity.

7.   In addition to the above, I can confirm that the documents identified in Appendix D were either (1) prepared by Microsoft's outside counsel in support of the 30(b)(6) deposition testimony of Microsoft's corporate designee, Benneaser John, and brought by Mr. John to and for use during the deposition, or (2) created by Mr. John during the course of the deposition and used as exhibits thereto.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
